## Expedition Cruise to Pacaya Samiria National Reserve:

Pacaya-Samiria National Reserve is one of the biggest protected areas located in Peru's Amazon region, 200 miles west from Iquitos. The Reserve is a triangular shaped area between the Marañon and Ucayali rivers. These rivers intersect at the northeastern tip of the Reserve, marking the beginning of what is considered the Amazon River proper.

A diverse animal wildlife and more than 300 species of birds live in Pacaya-Samiria, including five of the eight species of Macaw found in Peru.

**Expedition to Leticia** is a small town of approximately 37,000 inhabitants situated on the left bank of the Amazon River. It is the capital of the state of Amazonas, Colombia's southernmost town

**Expedition to Tabatinga** It is located in the [Brazilian state of Amazonas](#). Together with the neighboring [Colombian](#) city of [Leticia](#) and the [Peruvian](#) city of [Santa Rosa de Yavari](#), The first Portuguese settlement in the area was founded in the 18th century.
